You will be liable to pay all sums that are charged to the Account in respect of or resulting from all Transactions including where such Transactions are effected by telephone, mail order, internet, PIN, signature or in breach of these Conditions. You should therefore check the amount of every Transaction before you authorise it.
- (c) The Principal Cardholder will pay not less than the minimum amount shown as due to us within 25 days of the date of a Statement. The minimum amount shall be the greater of €6.00 or 5% of the amount outstanding, unless otherwise stated, or the whole amount if less than €6.00.

- (b) If you deny that your Card and if applicable, your PIN or other code have been used to execute a Transaction or you allege that such a Transaction has been incorrectly executed, it is our responsibility to prove that the instruction was accurately authenticated, recorded, entered in the Account and neither effected or affected by a technical breakdown. In this regard, we may not rely solely on the fact that the instruction was authorised in accordance with the PIN. The use of the PIN or any other security code will also be insufficient by itself to prove that you have intentionally, or because of your lack of reasonable care, failed to adhere to these Conditions or failed to keep the aforementioned PIN or security code safe. However, entries in the Account in respect of Transactions effected by Cash Machine or Chip enabled Terminals or using any PIN or code shall be prima facie evidence of such Transactions and will be binding on you and us. If you deny that your Card and if applicable, your PIN or other security code have been used to execute a Transaction or you allege that such a Transaction has been incorrectly executed, we shall show by providing an abstract of our own internal records that the operation was accurately recorded and entered into the Account and

was neither effected nor affected by a technical breakdown or other deficiency. The correct recording of previous and subsequent similar Transactions shall constitute prima facie evidence that the system was functioning properly.

- (c) We shall not be liable if we are unable to perform our obligations due (directly or indirectly) to the failure of any machine; data processing or transmission link or to industrial dispute or anything outside our control, or the control of our agents or subcontractors.

11 STATEMENTS OF ACCOUNT

- (a) The Visa Credit Card Department normally sends a monthly Statement to the Principal Cardholder. The Principal Cardholder should carefully examine all Statements and any other Account information received by them or accessed online and report any disputed Transactions, errors or omissions to us without undue delay. We recommend that Account details be reviewed online on a regular basis. In the event that there is a query concerning a Transaction on your Account please contact us immediately at our details below.
- (b) We will normally consider that there has been undue delay if you fail to notify us within 30 days of receipt of a statement showing the relevant Transaction. In any event, failure to notify us within 13 months of a Transaction being debited to your Account will always amount to undue delay. If there has been undue delay on your part in contacting us, we may not be able to compensate you for any loss you may have suffered. If an incorrect amount is debited or credited to your Account, we may make any necessary correcting entry on your Account without reference to you.
- (c) Subject to the liability provisions in Condition 17 below, unless you have reported to us any error or discrepancy in a Statement, you shall be obliged to confirm the Statement within 30 Business Days after receipt. In the absence of any such report within such period the Statement shall be deemed to have been irrevocably confirmed by you whether or not you have actually done so, to the intent that, save for any manifest error, the Statement shall as regards you thenceforth be conclusive evidence of the correctness of the entries recorded therein.
- (d) Furthermore, the failure to make any such report or confirmation within the periods mentioned above, or the making of a confirmation shall constitute a representation by you to us that the Statement is correct and shall be an agreement by you that we shall thenceforth not be liable for any loss to which you may suffer howsoever arising in relation to any entries or the balance appearing in the Statement.
- (e) We shall keep internal records for a sufficient period of time to enable operations to be traced and any errors notified to us to be rectified.
- (f) In the event of any inconsistency between our records as to the Account balance and the Account balance as stated in the Statement, our records shall be conclusive evidence of the Account balance and the interest accrued thereon.

12 TIME PERIODS FOR LODGEMENTS

We will ensure that all funds received for value by us and accepted for your Account prior to the applicable cut-off time on a Business Day are credited to your Account. Funds received by us after the applicable cut off will be deemed to have been received by us on the next Business Day. UNAUTHORISED PAYMENTS

- (d) Notwithstanding Condition 17(a), where you are a Consumer or, subject to Condition 17(g), a Micro-Enterprise, we will in accordance with our obligations under the PSD and subject as hereafter mentioned, refund to you the amount of any payment debited to your Account which was not authorised by you and, where necessary, restore your Account to the state it would have been in had the Transaction not taken place. However:
 - (i) this Condition 17(d) only applies where the payer's bank and the payee's bank are both located in the EEA and the payment in question was in euro or the currency of a member state of the EEA outside the euro area.
 - (ii) If the unauthorised payment resulted from the loss or theft of any security device or procedures or your failure to keep personalised security features safe you will be liable for the first €75 of loss suffered by you.
 - (iii) We will have no liability for any loss suffered by you where you:
 - (a) have acted fraudulently;
 - (b) have intentionally, or because of your lack of reasonable care, not used or failed to keep safe any security device or procedure in accordance with the terms and conditions applicable to it ; and/or
 - (c) have intentionally, or because of your lack of reasonable care, failed to notify us of the loss, theft or misappropriation of any security device or procedure without undue delay.
 - (iv) If there is undue delay on your part in notifying us of the unauthorised payment, we will not be liable to make good any loss you suffer. We will normally consider that there has been undue delay in this regard if you fail to notify us within 30 days after receipt by you of a statement or payment advice detailing the relevant debit to your Account. In any event a failure to notify us within 13 months of the payment being debited to your Account will always amount to undue delay.

INCORRECTLY EXECUTED AND NON EXECUTED PAYMENTS

- (e) Notwithstanding Condition 17(a), where you are a Consumer or, subject to Condition 17(g), a Micro-Enterprise, we will in accordance with our obligations under the PSD and subject as hereafter mentioned, be liable to you for the correct execution of any instruction to make a payment from your Account properly given by you to us in accordance with the requirements of these Conditions. However, this Condition 17(e) only applies:

in euro or the currency of a member state of the EEA outside the euro area.

- (ii) where you provided us with the correct Unique Identifiers for the payment in question;
- (iii) where there is no undue delay on your part in notifying us of the incorrect or non executed payment. We will normally consider that there has been undue delay in this regard if you fail to notify us within 30 days of the relevant account statement or payment advice. In any event a failure to notify us within 13 months of the incorrect payment will always amount to undue delay.
- (iv) where none of the events detailed in Condition 10(c) prevented us from making the payment.

We shall have no liability to you under this Condition 17(e) where we can prove to you and, where relevant, the payee's bank, that the payment was received by the payee's bank within the applicable timeframe.

When we are liable under this Condition 17(e) we will refund to you, without undue delay, the amount of the non executed or incorrectly executed payments that we have debited to your Account. Furthermore, where applicable we shall restore your Account to the position it would have been in had the non-executed or incorrectly executed payment not taken place. Regardless of the issue of liability, where you notify us of an incorrectly executed payment we will make immediate efforts to trace the whereabouts of the defective payment and inform you of the results of such efforts. If as a result of our investigation we establish that the payment was correctly executed, we reserve the right to debit your Account with our charges and any fees or charges levied or sought from us by any other banks involved in investigating the payment. For the avoidance of doubt, we will be liable to you as payee or payer for any charges for which we are responsible and any interest levied by us to which you are subject as a result of our non-execution or defective execution of a payment.
